

## JobServe Live! Show Programme Advertising Opportunities

Our A4 glossy JobServe Live! show programmes are handed out free of charge to every visitor to our two-day events and our advertising opportunities provide exhibitors with a great promotional platform.

Kept as a reference point after the exhibition, advertising in the show programme is a chance for you to ensure your message is remembered long after the doors to the event close.

And with the show programme being shared with family and friends, this is a chance to reach candidates who were unable to visit the event itself.

- Reach thousands of potential candidates
- Provide detailed information on your organisation and its opportunities
- Include your organisation's logo and branding
- Help attract more visitors to your stand at the show
- Ensure your message lasts after the event
- Reach candidates who may not have attended the show

All of our advertisements are full colour and we have a range of sizes available to suit all needs and budgets.
